INTRODUCTORY

To compile a List of Volunteers of Washington County, Ohio, nearly fifty years after the close of the War of the Rebellion, has proven to be very difficult.

The object sought is, not to give the rank, or position, held by the comrade, but to place on Record the fact, that he responded to the call of his Country; and was ready to endure any sacrifice to preserve our Union of States. Many of the comrades had more than one enlistment, and to give each would be an almost Herculean task, so we have given but one; which in some cases, may prove to be the shorter term of service.

A large number of comrades served in organizations of States, other than our own, notably that of West Virginia; and the names of all may not appear in the following list.

Our "authorities" have been, the Roster of Troops of Ohio; and of West Virginia; Regimental, Company, or other organizations, Pension Agents' lists; and personal knowledge of the comrade's service.

While we do not claim the following list to be absolutely correct, yet, we feel assured that it is as nearly so as can be made at this late day.

CHAS. H. NEWTON.

Marietta, Ohio, January 1st, 1913.

The Grand Army of the Republic

ORGANIZATION.

The Grand Army of the Republic was organized at Decatur, Ills. April 6th, 1866, by Dr. B. F. Stephenson, of Springfield, who had served as surgeon of the 14th Ills. Infantry, and at the close of the war returned to his practice in Springfield, where, in February, 1866, he first suggested the idea of this organization and made the draft of a ritual. After consulting a number of army friends, he deputed Capt. John S. Phelps to supervise the printing of the ritual in the office of the Tribune, at Decatur, the proprietors of which, Messrs. Coltrin & Pryor, with their compositors, had been Union Soldiers. Through the efforts of these gentlemen an organization was at once effected in Decatur, Ills., and Post No. 1 of the G. A. R. was formed. This was followed by the formation of Post No. 2 at Springfield, Ills. Posts were thereafter rapidly established throughout Illinois and the states of Wisconsin, Ohio, Indiana, Iowa and Missouri. The first Department Convention or Encampment, was held in Springfield, Ills. on July 12th, 1866, and Gen. John M. Palmer was elected Department Commander

OBJECTS.

The objects to be accomplished by this organization are as follows:

1. To preserve and strengthen those kind and fraternal feelings which bind together the soldiers, sailors and marines who united a suppress the late Rebellion, and to perpetuate the memory and history of the dead.

2. To assist such former comrades in arms as need help and protection, and to extend needful aid to the widows and orphans of those who have fallen.

3. To maintain true allegiance to the United States of America based upon a paramount respect for, and fidelity to, its Constitution and Laws; to discountenance whatever tends to weaken loyalty, incites to insurrection, treason or rebellion, or in any manner impairs the efficiency and permanency of our free institutions; and to encourage the spread of universal liberty, equal rights and justice to all men.
